You will be held to all fees incurred. Students may be dropped from classes for non-payment of fees. Failure to pay will result in a hold on your records. Refund deadlines vary by class; see page 2 and www.cuyamaca.edu/admissions/deadlines.asp. It is the student's responsibility to drop any classes that they do not plan to attend.

Your User ID and Password are needed to access **WebAdvisor**. Your User ID is generally your `firstname.lastname` (all lowercase), and your password is initially your birth date (MMDDYY). You will be prompted to change your password the first time you log in.

DEADLINE DATES AND STUDENT RESPONSIBILITY

Not all classes have the same deadline dates. Deadline dates vary depending on the length of the class. Be sure to pay careful attention to the deadline dates; see page 2 and www.cuyamaca.edu/admissions/deadlines.asp. Each class has a specific refund deadline, as well as a specific deadline to Add, Drop without a 'W' and Drop with a 'W'. **It is the student's responsibility to drop a class; do not rely on the instructor to do so. All deadlines are strictly enforced. Always verify your class schedule on WebAdvisor.**

MAXIMUM UNITS

You may enroll in a maximum of eight (8) units during the summer session districtwide. If you wish to enroll in more units, you will need to obtain an overload authorization form from Counseling on or after the first day of class.

DUPLICATE CLASSES

You may not enroll in two sections of the same course.

REPEATING CLASSES

Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, NP or NC) or withdrew from the class with a "W." Students may not repeat a class if they received a satisfactory grade (A, B, C, P-Pass or CR) except those stated in the Cuyamaca College Catalog. Please visit www.cuyamaca.edu/admissions/changes/repetition.asp for more information on course repetition.

COURSE PREREQUISITES

Cuyamaca College fully enforces prerequisites and corequisites for all courses as stated in the [college catalog](#). Prerequisite courses taken at another college are not automatically cleared and must be requested by the student two weeks (10 business days) prior to your registration date. Please note: Courses taken at Cuyamaca or Grossmont Colleges are automatically used to clear prerequisites where appropriate.

Prerequisites may be cleared through the following two options:

- I. To clear a prerequisite based on course work:
 - You have taken an equivalent course at another college and have the appropriate documentation, i.e., transcripts, grade reports, AP/IB test scores.
 - You have successfully passed an appropriate Advanced Placement, International Baccalaureate or CLEP exam.
 - You have an English and/or math assessment test from another local area college.

II. To clear a prerequisite based on criteria other than coursework, this is known as "challenging a prerequisite."

The challenge process is designed for students who believe they have met a course prerequisite through means other than what is listed above. You may challenge a prerequisite based on one or more of the following:

1. You have acquired through work or life experiences the skills and knowledge that is presupposed in terms of the course or program for which it is established.
2. You will be subject to an undue delay in attaining the goal in your educational plan because the college has not made the prerequisite or co-requisite course reasonably available.
3. You can demonstrate that you do not pose a threat to yourself or others in a course which has a prerequisite established to protect health and safety.
4. The prerequisite has not been established in accordance with the District's process for establishing prerequisites and

co-requisites, and has not been established in accord with Title 5.

5. The prerequisite or co-requisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

Prerequisite Clearance/Challenge Process:

1. Fill out and complete the "Prerequisite Clearance/Challenge Form" located on the college's prerequisite page: www.cuyamaca.edu/counseling/prerequisites.asp
2. Attach any supporting documentation to your form when submitting your petition.
3. You will be notified within five (5) working days from the date the form is submitted regarding the result of your petition.
4. If approved, you will be able to register in your class on WebAdvisor. If you are having difficulty please contact the Counseling Department at 619-660-4429.

Please check WebAdvisor at <https://wa.gcccd.edu> for course changes (added/cancelled sections, room changes, instructor changes, etc.)
