**Commendations:** We look forward to learning more about the reorganization of History, Humanities, Philosophy, Religion. Creating a virtual study hall is a great way of reaching students. Keep up the innovations.

**Recommendations:** New Goal 1 (Q69) states, “increase enrollment”. Is the focus on adding and/or modifying courses in order to increase enrollment? You may want to consider making the goal more comprehensive (e.g. increase access to history courses) with different action plans (e.g. increase access to History by adding/modifying courses, alternative delivery methods, targeting first-year students, etc). You may want to consider evaluation that focuses on enrollment by gender, enrollment by ethnicity, enrollment by education attainment, enrollment by the time of day.
