**RE: Quote 11696950**  
**This quote is valid until 03 Oct 2019**

Thank you for your interest in MathWorks products and services. Your quote includes pricing and ordering instructions.

There are two easy ways to place your order:

- **ONLINE:** View your quote at [mathworks.com/store/quotes](https://mathworks.com/store/quotes) and purchase by credit card (login required)
- **EMAIL:** Send a purchase order to [orders@mathworks.com](mailto:orders@mathworks.com). Be sure to include your quote number on your order.

Additional order and payment information are included on the following pages of this quote.

If you have questions, please do not hesitate to contact me.

Sincerely,

**Julie Casavant**

## Ordering and Payment Information

---

**U.S. or Canada orders please note:** Your order will be subject to standard Canadian GST or U.S. sales taxes which will be calculated using the "ship-to" address at the time the order is processed. The taxes shown on your quote are estimated. If the correct tax is not shown on your quote please make the adjustment when remitting payment or submitting your purchase order. If tax should not be added to your order please provide a tax exemption certificate or other appropriate documentation if you have not done so in the past. See "Tax Remittance Information" below for additional tax information.

### ONLINE

Pay by credit card in MathWorks Store at [mathworks.com/store](https://mathworks.com/store). Login to MathWorks account is required. If you do not have an account, use the "Create an account" option on the login screen.

### Telephone

Pay by credit or debit card by calling Customer Support at 508-647-7000

### Bank Transfer

**Account Name: The MathWorks, Inc.**

Account #: 112259509

Bank Name: JPMorgan Chase Bank N.A.,

Bank Location: New York, NY 10087

Account #: 112259509

Routing # (ACH and Fed Wire): 021000021

SWIFT/BIC (Non-US): CHASUS33

*Please reference quote number*

*Email remittance information to [receivables@mathworks.com](mailto:receivables@mathworks.com)*

### Check

PO Box 21301, New York, NY 10087-1301

*Please reference quote number*

### Purchase Order

See below for detailed instructions

### Purchase Order Requirements

---

E-Mail your purchase order as an attachment to [orders@mathworks.com](mailto:orders@mathworks.com) or mail it to:

Attn: Revenue Accounting and Controls

MathWorks Inc.

3 Apple Hill Drive

Natick, MA 01760-2098 USA

The following is required with your purchase order:

- Tax status – if tax exempt, please provide a valid tax exempt certificate. If not tax exempt, please include tax on your P.O.
- Authorized approval for purchase (i.e., authorized signature if required, company letterhead, company stamp)
- MathWorks quote number
- Contact information if ordering a new license. See below.
- MathWorks payment terms: Net 30 days
- Delivery and invoice addresses
- P.O. number and/or other references required by your company purchase department
- Total amount of order

### Other Important Information

---

#### Contact Information

All MathWorks licenses require an administrator to serve as the main source of communication for the license. If your order includes a new license, please provide the name, address, phone, and email for the contact that will be responsible for administering the license.

#### Tax Remittance Information

Federal Taxpayer Identification Number (TIN): 94-2960235

Canada GST Number: 89827 4535

Ontario PST/RST Number: 9748 8658

#### Ordering Information for the U.S. Government

Central Contract Registration Number (CCR): 131142747

Cage Code: 0C524

#### Certifications and Representations

[mathworks.com/company/aboutus/policies\\_statements/cert\\_rep.html](https://mathworks.com/company/aboutus/policies_statements/cert_rep.html)

#### Money-Back Guarantee

If you are not completely satisfied with your purchase, call within 30 days for a full refund.

### Academic Licensing

MathWorks is pleased to offer MATLAB®, Simulink®, and other MathWorks products at reduced prices to degree-granting educational institutions. The use of products licensed to institutions at Academic License pricing is restricted to on-campus computing facilities that are used solely in support of classroom instruction and research activities of students, faculty, and staff.

Institutions cannot use the products for commercial purposes. Research and development divisions and centers of universities, government agencies, and other not-for-profit organizations do not qualify for Academic License pricing. MathWorks offers reduced prices to degree-granting educational institutions as a service and asks your help in ensuring that the practice is not abused.

### Licensing Options

#### Academic Use

*Individual:* The Individual license is intended for use by a single named user. The products can be activated on up to four different computers, provided that the products are only accessible to and used by that single named user. A named user may not use a program on more than two computers simultaneously.

*Designated Computer:* The Designated Computer license is intended for use on a single, designated computer, provided the products are operated from that computer's console by one licensed user at any given time.

*Concurrent:* The Concurrent license is intended for use by a specified number of concurrent users to run the product on any computer that is connected to a single FlexNet® license manager. Installation of the products is limited to institution-owned computers or computers personally owned by faculty, research, and academic staff.

#### Classroom Use

Classroom licenses are restricted for use in on-campus teaching labs used solely for classroom instruction of students. Course instructors can use a copy of the software for course preparation only. Use of the products for any other purposes, such as research by faculty and staff, is not allowed. The Classroom licenses require a minimum quantity of 10 and offer a choice between two license options: Designated Computer or Concurrent.

#### License Term

*Annual* licenses provide the right to use the software for a fixed duration, and MathWorks Software Maintenance Service is included in the license fee. To ensure uninterrupted service, you may renew your license prior to the conclusion of the license term. Otherwise the license and Software Maintenance Service will expire at the end of the term period.

*Perpetual* licenses provide the right to use the software indefinitely, and the first year of MathWorks Software Maintenance Service is included in the initial purchase price. After the initial 12 month period, an annual fee is required to renew your Software Maintenance Service.

### MathWorks Software Maintenance Service

The first year of Software Maintenance Service is included with new product licenses. You can continue uninterrupted service in subsequent years by renewing your subscription annually.

MathWorks Software Maintenance Service includes:

- The latest updates to your MATLAB and Simulink products – with releases twice a year
- Worldwide technical support from specialized engineers
- Online offerings such as MATLAB Mobile, MATLAB Online, and MATLAB Drive

Note:

- An active subscription is required to purchase add-on products.
- If your subscription lapses, renewal at a later date will incur fees for the forward service period, any applicable back maintenance fees for the lapsed period, and a reinstatement fee of 25% of the annual cost of Software Maintenance Service.

For more information, see [mathworks.com/services/maintenance](http://mathworks.com/services/maintenance).

### Ineligible Programs

Not all programs are eligible for deployment, compilation, distribution, or web access. See a list of ineligible programs at: [mathworks.com/products/ineligible\\_programs.html](http://mathworks.com/products/ineligible_programs.html).

### Additional Fees

The fees for the license are determined based upon the country where all licensed user(s) are principally located. Additional fees may apply to a transfer of the license, or the principal location of any licensed user, to another country.
