CUYAMACA COLLEGE: LEARNING FOR THE FUTURE

Dear Students:

As the president of Cuyamaca College, it is my pleasure to welcome you to our renowned campus. Cuyamaca College truly is an institution of higher education for the 21st century, and each of us at the college is here to assist and support you in your educational pursuits.

We take great pride in our beautiful campus, in our faculty and staff who are second to none, in our comprehensive and relevant curriculum, and in our commitment to student success that is unexcelled. We have laid the groundwork for you to be successful college students and all that's left to do is for you to seize this opportunity with your heads and your hands and your hearts, and make the most of your time here at Cuyamaca College.

The current economic situation of California has had a devastating impact on the community college system. The impact of the reductions in funding is evident by the reduced number of class sections we are able to offer. We know many of you are not able to get all of the classes that you need to reach your educational goals. We know how frustrating this situation is, but be assured, the classes that we do offer are

of exceptional quality. We are hopeful that we will be able to reinvigorate our course offerings soon.

This schedule of classes for the fall 2012 semester is a *gold mine* of opportunity, exploration, achievement, and academic adventure. We are excited that you are here and we stand ready to support you in any way we can. Please do not hesitate to ask for help, assistance, or guidance along the way in your academic journey with us. I wish you a very successful semester and an opportunity-filled future.

Sincerely,

Mark J. Zacovic, Ph.D., President

IMPORTANT INFORMATION ABOUT UPCOMING CHANGES

As you may know, public higher education in California is facing drastic budget reductions for the third consecutive year. Even though we have struggled through three years of drastic budget cuts, the Grossmont-Cuyamaca Community College District has been committed to meeting the educational needs of our students.

Beginning Summer 2012 there will be multiple changes that will affect you. These changes are being implemented at all California Community Colleges. Please be sure to read each section to learn how they will impact your studies here at Grossmont and Cuyamaca College.

STUDENT WITHDRAWAL & GRADE RESPONSIBILITY

You are held responsible for all classes in which you register. If you decide to withdraw from a class(es), it is your responsibility to drop using **WebAdvisor** or to obtain an Add/Drop Card from the Admissions and Records Office, complete the card, and submit it to the Admissions and Records Office. The official date of withdrawal is the date you drop your class(es) using **WebAdvisor** or when an Add/Drop Card is submitted. If this is not done, you may receive a grade of "F." If you withdraw from a semester-length class(es) by the end of the

second week, the class(es) will not appear on your transcript. If you withdraw from a semester-length class(es) between the third and twelfth week, a grade of "W" is issued. If you are still enrolled in a semester-length class(es) past the end of the twelfth week, you will receive a grade other than a "W." For classes which are scheduled for eight weeks, classes will not appear on the transcript for classes dropped during the first week and a "W" may be awarded only for withdrawals for weeks 2 through 6. ADMISSION AND REGISTRATION

ADMISSION REQUIREMENTS

Cuyamaca College strives to provide educational opportunities that meet the needs of the community. Anyone may attend Cuyamaca College if they have a high school diploma or the equivalent or are at least 18 years of age and have the ability to benefit from a community college experience. High school students who have completed the 10th grade and are at least 14 years old may also attend Cuyamaca College with permission of their parent and the high school counselor or principal.

ADMISSION APPLICATION

Applications are available online at www.cuyamaca.edu

REGISTRATION INFORMATION

REGISTRATION DATE AND TIME

All new and readmit students who apply by June 29, and all continuing students, will be sent a Registration Appointment. Those who apply after June 29 will receive a registration time based on the date of application. Students may register on or after their registration date and time.

REGISTRATION AND FEE PAYMENT DATES/HOURS

WebAdvisor availability: **Monday-Saturday, 7am-10pm**

INTERNET REGISTRATION AND FEE PAYMENT

Students may register via the Internet using **WebAdvisor** from Cuyamaca College's web page at www.cuyamaca.edu. Registration fees are expected at the time of registration. You will be held to all fees incurred. Students are dropped from classes for non-payment of fees. Failure to pay will result in a hold on your records. Refund deadlines vary by class; see page 2 and www.cuyamaca.edu/cc/schedules.asp. It is the student's responsibility to drop any classes that they do not plan to attend.

USER ID AND PASSWORD

Your User ID and Password are needed to access **WebAdvisor**. Your User ID is generally your firstname.lastname (all lowercase), and your password is initially your birth date (MMDDYY). You will be prompted to change your password the first time you log in.

PRIORITY WAIT LISTS

Wait lists for all classes begin the instant that classes close due to full enrollment. Once the class begins, wait lists are no longer available. Students cannot

add themselves to a wait list before their registration appointment date. Students are added to the wait list for a class on a first-come, first-served basis. If seats become available, the students on the wait list will automatically be enrolled into the class. Students will be billed immediately once the student is successfully registered into the class.

Students cannot be placed on a wait list for class if they are already enrolled in another section of the same class. Also, students cannot be placed on a wait list for more than one section of the same class. If a wait list is full, the student will not be able to add themselves to the list.

On the first day of class, instructors will determine the number of open seats. Spaces will be offered to students who are on the wait list in the order that names were added to the wait list. **Be sure to attend the first class meeting** to obtain an add code/authorization code.

CHANGES AFTER REGISTRATION

Once you have registered, you may change your schedule by adding or dropping classes via **WebAdvisor**:

Before the class has started, you may:

- Add an open class.
- Drop a class.
- Add your name to the Priority Wait List if the class has closed.

Once the class has started, you may:

- Add with an Add Code obtained from the instructor by the 'use by' date on the Add Code label.
- Drop without a 'W' by the 'no W' drop deadline.
- Drop with a refund by the refund deadline.
- Drop with a 'W' by the drop deadline.

WITHDRAWALS AND REPAYMENT OF FINANCIAL AID FUNDS

Effective July 1, 2000, students receiving federal financial aid who *withdraw from all of their classes during the first 60% of a term* may be required to repay a portion of the federal grants they have received. This is because a student must "earn" their financial aid. Financial aid is "earned" for each day you are enrolled in the semester. Students who stay in classes until 60% of the term is completed will not owe anything back to the federal government. **Please note: If you fail all of your classes in a term, you will have only earned 50% of the Pell and/or SEOG that you received and you will be billed for the amount you did not earn. This rule applies even if you were enrolled in classes for the whole term.** If you are required to repay funds to the federal government, you will be billed and will have 45 days to repay the funds in full. You will be ineligible for any further financial aid at any college in the United States until you have repaid the funds in full.

EXTENDED OPPORTUNITY PROGRAM AND SERVICES (EOPS)

The EOPS Program at Cuyamaca College is designed to recruit, inform and assist students who have been identified as economically and educationally disadvantaged. Eligible students are provided with the necessary academic and personal support services to enable them to succeed at Cuyamaca College. Services may include, but are not limited to, personal and academic counseling, transfer advising, peer advising and advocacy,

financial assistance through book grants as funding allows, student orientations, seminars/courses for student success such as academic planning and work experience (WEX), priority registration, and instructional support services.

UNLIMITED POTENTIAL! (UP!) PROGRAM

The UP! Program, sponsored by EOPS and Financial Aid, is designed to assist students who have been in foster care or guardianships. In addition to EOPS and/or CARE services, students are eligible for counseling case management, personalized financial aid assistance, resource referrals, mentoring, life skills workshops, and cohort-building events and orientations.

The EOPS office is located in the Student Services One-Stop Center, Bldg A300. Contact us at www.cuyamaca.edu/eops or call (619) 660-4204.

DISABLED STUDENTS PROGRAMS AND SERVICES (DSP&S)

Disabled Students Programs and Services provide support services to students with disabilities who request affiliation with DSP&S services to enhance their probability for success. Students who have a verified disability may require special services, equipment, disability-related counseling, registration assistance, disabled parking, transportation assistance, high tech lab usage, interpreters for the deaf, readers for the blind, note-takers, learning disability assessment, one to one student assistance, special classes, speech language cognitive strategies, referrals, TTY (619-660-4386), and test proctoring. DSP&S determines accommodations for students with verified disabilities. Accommodations do not compromise the student's course of study or the integrity of the student's degree. Questions regarding accessibility, Title 5 regulations, CTE, ADA, Section 504 and other laws regarding rights for disabled students should be addressed with the DSP&S Coordinator. Contact DSP&S at (619) 660-4239.
