- III.4. Do you have a course Student Learning Outcomes (SLO) assessment plan on file with Student Learning Outcomes & Assessment Committee (SLOAC) (or the SLO Coordinator)?  
 Yes       No
- III.5. Please provide an analysis of your student learning outcomes (SLO) findings and what changes, if any, were made as a result.
- III.6. What student learning-related successes and challenges have SLOs results revealed for your department?  
*Note: If SLO data are not offering useful feedback regarding student learning, and are not currently informing program improvements, please instead discuss the specific steps you plan to take to make learning outcomes and assessments more meaningful.*

### **Student Achievement**

- III.7. How has the department or discipline's success rate across all courses changed over the past 5 years?
- III.8. The College has set a 2024 goal of reaching a 77% course success rate (students passing with a grade of A, B, C, or P out of those enrolled at census) for the College as a whole. Consider how your department or discipline will help the College reach its long-term goal of increasing the course success rate to 77%.  
  
What is your department or discipline's one-year (2020-21) goal for success rate across all courses in the department or discipline?
- III.9. Please describe any equity gaps, in which specific groups (e.g., by gender and ethnicity) have success rates lower than that of the department or discipline overall.
- III.10. What department/discipline (or institutional) factors may be contributing to these lower rates of success for these groups of students?
- III.11. What specific steps will the department or discipline take to address these equity gaps in the 2020/21 academic year?
- III.12. How do these steps inform the long-term department or discipline goals that you are setting in this comprehensive program review?

### **Distance Education Course Success (If Applicable)**

- Does your service area/program have distance education courses?  
 Yes (proceed to III.13)     No (proceed to III.15)
- III.13. Are there differences in success rates for distance education (online) versus in-person sections?  
 Yes       No (proceed to III.15)
- III.14. If there are differences in success rates for distance education (online) versus in-person classes, what will the program do to address these disparities?
- III.15. What mechanisms are in place to ensure regular and effective contact within online courses across the discipline or department?
