

The Cuyamaca Academic Senate Statement in Solidarity with the Chaldean and Assyrian Communities

The Cuyamaca College Academic Senate strongly condemns the attacks on the St. Peter's Chaldean Cathedral and the Our Mother of Perpetual Help Syriac Catholic Church in El Cajon, which many of our students, faculty, and staff attend as congregants

The Cuyamaca College Academic Senate stands in solidarity with the Chaldean and Assyrian communities that suffered abominable acts of hate perpetrated by individuals whose sole intentions are to sow and inflame a wanton racist environment in our midst. These acts of hate will not be tolerated and will be denounced for their evil.
