
DE Update

5.12.2022

Dr. Bri Brown, *DE Coordinator*

Peer Online Course Review (POCR)

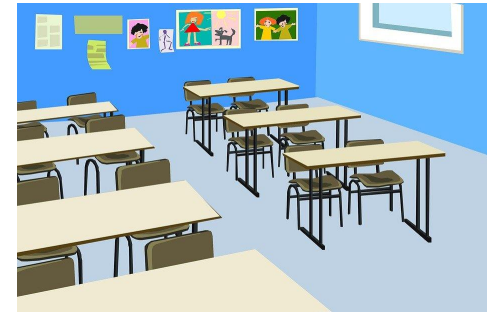

- Submitting 3 courses to the state by end of next week (ENGL, MATH, COUN)--should certify us as a locally-certified POCR campus
- 4 Math courses starting the process at the end of the month
- Last group of 3 starting the process mid-May (ENGL, MATH, SPAN)

Total: 10 courses for 2021-2022 year

- We will be seeking funds to support these efforts for the 2022-2023 year

HyFlex

- Defining HyFlex
- 9 HyFlex sections in SP22

Humanizing STEM Grant

- Applied for the statewide grant
- Cuyamaca faculty will participate in a 6-week course to Humanize their online STEM courses
- 7 faculty expressed interest
- Will hear about the status of our grant in June

DE Documents

- 2017-2022 DE Plan expiring, working to align the 2022-2028 with new Strategic Plan, coordinating with Moriah Gonzalez-Meeks to align PD and DE Plans where they intersect
- We will update Cuyamaca's Regular and Substantive Interaction Policy to align with Title 5 changes as soon as those are finalized
- We will update Cuyamaca's Online Teaching Effective Practices document once DE Plan and RSI documents are ready
- We collaborated with Grossmont to update the DE Addendum, and it was recently approved by Curriculum

DesignPlus

- Exciting new Design tool that efficiently aids in course design that automatically designs accessible elements
- Streamlines course design
- Multi Tool allows faculty to build new courses by using templates
- Can add in DesignPlus elements to existing course content
- DesignPlus training coming soon when they enable the tool in our Canvas instance! Check the Summer Camp and FLEX week agendas!
