

**Cuyamaca College
2021-2022 Program Review
Facilities Requests Status**

Ranking	Department	Requested Item	Location	Estimated Cost	
1	Mathematics	Converting H-136 into a usable office space. Two doors currently open into the classroom. We would like to close these off to be walls and put a door that opens into the STEM Center. Will need painting and cleaning. Will need to purchase office furniture as well.	H-136	\$25,000 (per Francisco G.)	
2	Auto Department	Entire Laboratory, including the K-102 tool room, needs to be painted and updated. Also requesting Camera's for inventory and safety.	K building K-102	\$105,000
