Current Committee Opportunities

For the most recently updated list of committee openings, please visit the following Google Doc: [Updated Committee Service Opportunities](#).

The list is currently very long (five pages) because I have added the terms starting next semester Fall 2023-Spring 2025.

If your term in a committee is expiring, you should have received an email reminder from me. However, you may also verify on the following list: [Spring 2023 List of Expiring Terms](#). If you want to make sure you are considered for any of these terms, please apply before May 15. SOC will begin voting on next semester's terms after then.

Regular committee appointments are typically 2 years. Part-time faculty are encouraged and welcome to serve on any committee open to faculty. Compensation for part-time faculty is available for select committees. These are noted below.

If you are interested in serving on any of the committees, please complete the [Participatory Governance Interest Form](#).

After you submit an application, your Senate Officers Committee (SOC) will review your application. Appointments will generally be made within two weeks. We will reach out to you promptly after that.

If you are interested in serving but are currently unsure of what may be the best fit for you, please reach out! We would be delighted to support you in your decision making.

If you have any questions, please contact Karen Marrujo, Academic Senate Vice President, at karen.marrujo@gcccd.edu and cc Manuel Mancillas-Gomez, Academic Senate President, at manuel.mancillas-gom@gcccd.edu.
