

16 May 2023

To the Cuyamaca College Part Time Faculty,

My name is David Lizárraga, and I am running for the position of Part-Time Instructional Faculty Senator for the 2023-2024 Academic Year. As the current Academic Senator for Part-Time Faculty for Instruction, I am excited about the opportunity to continue serving part-time faculty in this role.

I am a member of the adjunct faculty at Cuyamaca College and have been teaching within the biology department for two and a half years. Currently, I serve as one of the Math, Science, and Engineering representatives on the Outcomes and Assessments Committee. Additionally, I recently completed the 2022/2023 cohort of the Equity Minded Teaching and Learning Institute (EMTLI). I am deeply passionate about instruction at Cuyamaca and eager to serve as the Academic Senate's Part-Time Faculty for Instruction.

Sincerely,

David Lizárraga, Ph.D.
Adjunct Instructor
Biology Department, Cuyamaca College
