

Disabled Students Programs & Services (DSPS)

Instructional Faculty

- Do you have questions about how to serve students with disabilities?
- Do you know what your responsibilities are for accommodations in your classroom?

The purpose of the DSPS Manual is to make DSPS information more accessible to instructional faculty so they are better equipped to support students with disabilities in the classroom and to engage in practices that would align with DSPS policies, procedures, and related disability laws.

DSPS Manual for Instructional Faculty
DSPS

How to add the DSPS Manual to your Canvas Dashboard:

- Visit the [Cuyamaca College website](#)
- Log into your [Canvas](#)
- Click 'Courses'
- Click 'All Courses'
- Click 'Browse More Courses'
- Search "DSPS"
- Click 'Join this Course'
- The DSPS Manual for Instructional Faculty will now be displayed on your Canvas Dashboard
