

Spring 2019 Planning and Evaluation Retreat Report
Key Performance Indicators: Institution-Set Standards, Aspirational Targets, and CCCCO Vision for Success Goals
 Recommended by the Institutional Effectiveness Council (May 6, 2019)

The Institutional Effectiveness Council (IEC) recommends the following Institution-Set Standards and aspirational targets for internal and external Key Performance Indicators on behalf of the College. Recommended Institution-Set Standards and aspirational targets are informed by input obtained via the Spring 2019 Planning and Evaluation Retreat held on April 26, 2019. IEC reviewed the recommendations emerging from the retreat in light of prior college performance, retreat participant feedback, previously-established standards and targets, if applicable, and internal and external factors influencing the specific indicators.
