INSTITUTIONAL EFFECTIVENESS  
PARTNERSHIP INITIATIVE

**Institutional Effectiveness Partnership Initiative  
Partnership Resource Teams  
Institutional Innovation and Effectiveness Plan  
Date: January 25, 2019**

**Name of Institution: Cuyamaca College**

Area of Focus	Objective	Responsible Person	Target Date for Achievement	Action Steps	Measure of Progress	Status As of Date:
A. Student Learning Outcomes Assessment cycle: Improving data collection for SLO's and PLO's	<ol style="list-style-type: none"> <li>1. Identify and implement a system that meets college needs for integration of curriculum review, program review, and outcome assessment</li> <li>2. Integrate timelines for curriculum review, syllabi review, program review, and outcome assessment</li> <li>3. Expand resource materials and training for faculty, staff, and administrators for meaningful outcome assessment</li> <li>4. Improve infrastructure for assessment in non-instructional areas</li> <li>5. Leverage Canvas online learning platform for learning outcome assessment</li> </ol>	SLO Coordinator Senior Dean of Institutional Effectiveness Curriculum Committee Co-Chairs	<ol style="list-style-type: none"> <li>1. Fall 2019</li> <li>2. Spring 2019</li> <li>3. Spring 2019</li> <li>4. Spring 2019</li> <li>5. Spring 2019</li> </ol>	<ul style="list-style-type: none"> <li>• Develop list of requirements for an integrated accountability/curriculum management system</li> <li>• Submit request for technology system through college and district prioritization process</li> <li>• Select and implement a system for accountability/curriculum management</li> <li>• Develop and disseminate integrated annual timeline for major planning, academic quality, and institutional effectiveness processes</li> <li>• Expand assessment resource materials and professional development opportunities for faculty and staff, including both instructional and non-instructional areas</li> <li>• Develop and implement common lexicon and definitions for assessment in non-instructional areas</li> <li>• Conduct small faculty pilot uploading and assessing learning outcomes in Canvas</li> </ul>	<ol style="list-style-type: none"> <li>a. New system for curriculum, program review, and outcome assessment identified and implemented</li> <li>b. Planning/IE calendar published and shared on college website</li> <li>c. Assessment handbook published</li> <li>d. Assessment webpages are integrated (and outdated pages are archived) to ensure current/accurate information</li> <li>e. Glossary of Terms for assessment</li> <li>f. Increased number of professional development opportunities for faculty to learn how to use Canvas to assess learning outcomes</li> </ol>	<ol style="list-style-type: none"> <li>a.</li> <li>b.</li> </ol>
B. Student Learning Outcomes Assessment Cycle: Improving participation by all areas of campus in course-, program-, and institution-level outcomes	<ol style="list-style-type: none"> <li>1. Shift focus from compliance and data accounting to meaningful dialog and improvement</li> <li>2. Integrate assessment into college-level planning with a focus on core/institutional learning outcomes</li> <li>3. Develop models for meaningful assessment dialog and associated improvements</li> <li>4. Develop and implement learning outcome assessment faculty leadership structure</li> </ol>	SLO Coordinator Senior Dean of Institutional Effectiveness, Success, and Equity	<ol style="list-style-type: none"> <li>1. Spring 2019</li> <li>2. Spring 2019</li> <li>3. Fall 2019</li> <li>4. Fall 2019</li> </ol>	<ul style="list-style-type: none"> <li>• Expand assessment resource materials and professional development opportunities for faculty</li> <li>• Incorporate ILO assessment into campus professional development activities (e.g., Flex week, convocation, etc.) and planning retreats</li> <li>• Develop and pilot a process for direct assessment of ILOs</li> <li>• Identify regular dates/times for department-level and institutional-level assessment dialog each semester with</li> </ul>	<ol style="list-style-type: none"> <li>a. Increase in number of participants in assessment workshops/conference</li> <li>b. Flex calendar that includes designated time for discussing learning outcome assessment</li> <li>c. Process in place for direct assessment of ILOs (e.g., sample of courses mapped to ILOs assessed using common rubric)</li> </ol>	<ol style="list-style-type: none"> <li>a.</li> <li>b.</li> </ol>

Area of Focus	Objective	Responsible Person	Target Date for Achievement	Action Steps	Measure of Progress	Status As of Date:
	5. Improve communication to faculty, staff, administrators and students regarding learning outcomes, assessment findings, effective practices, and college processes 6. Foster inter-departmental collaboration and sharing of effective practices 7. Validate and broaden communication regarding ILOs		5. Spring 2019  6. Spring 2019  7. Fall 2019  8. Spring 2019	accountability measures to ensure courses are being assessed <ul style="list-style-type: none"> <li>● Develop parameters/job descriptions and intended outcomes for faculty assessment leads</li> <li>● Identify and train faculty outcome assessment leaders</li> <li>● Restructure the Student Learning Outcomes and Assessment Committee (SLOAC) to promote communication into and across disciplines, divisions, and instructional/non-instructional areas, including faculty, staff, administrators and students</li> <li>● Develop/launch an assessment "showcase" for faculty to share innovative assessment practices</li> <li>● Incentivize innovation in outcome assessment by providing faculty stipends for assessment improvement projects</li> <li>● Re-orient the campus to established ILOs; make revisions as necessary</li> </ul>	d. Increase in the number of departments reporting information on action taken as a result of assessment results/dialog (fall 2018 to fall 2019) e. Faculty assessment leaders trained and deployed for each program or division f. Increased number of programs with current assessment plans and information, including dialog summary and action steps a. Revised SLOAC charge and composition b. Assessment best practices showcase implemented and evaluated c. Increased number of faculty resources and models/frameworks for course, program, and student service area outcome assessment across multiple disciplines d. Revised ILOs, cross-walked to ACCJC competencies, approved by Academic Senate and College Council	
C. Student Learning Outcomes Assessment Cycle: Connection with Program Review, Guided Pathways, planning	1. Integrate outcome assessment into guided pathways activities 2. Establish learning outcomes and assessment professional development resources to support Pathways Pillar IV 3. Build foundation for Center for Teaching and Learning	SLO Coordinator Instructional Faculty GP Co-Chair Student Services GP Faculty Co-Chair	1. Fall 2019  2. Fall 2019  3. Fall 2019	<ul style="list-style-type: none"> <li>● Develop and disseminate guides and resources for aligning learning outcomes with employment-related competencies</li> <li>● Facilitate vision-setting process for Center for Teaching and Learning</li> <li>● Develop model for Center for Teaching and Learning</li> </ul>	a. Guide for aligning learning outcomes with employment skills developed and disseminated b. Vision, model, and plan for Center for Teaching and Learning established and vetted	a. b.

## Request for IEPI Resources to Support Institutional Innovation and Effectiveness Plan

<b>Applicable Area(s) of Focus (Copy from table above.)</b>	<b>Applicable Objective(s) (Copy from table above.)</b>	<b>Description of Resource Needed (Refer to Action Steps above as appropriate.)</b>	<b>Cost of Resource</b>
A. Student Learning Outcomes Assessment Cycle: Improving participation by all areas of campus in course-, program-, and institution-level outcomes	2. Integrate assessment into college-level planning with a focus on core/institutional learning outcomes 3. Develop models for meaningful assessment dialog and associated improvements 4. Develop and implement learning outcome assessment faculty leadership structure 5. Improve communication to faculty, staff, administrators and students regarding learning outcomes, assessment findings, effective practices, and college processes 6. Foster inter-departmental collaboration and sharing of effective practices	<ul style="list-style-type: none"> <li>Develop and pilot a process for direct assessment of ILOs: Funding for part-time faculty stipends for participation in direct assessment of ILOs</li> <li>Identify and train faculty outcome assessment leaders: Funding for faculty stipends for serving as assessment leads for their division or program cluster</li> <li>Incorporate ILO assessment into campus professional development activities (e.g., Flex week, convocation, etc.) and planning retreats: Funding for professional development targeting non-instructional and instructional programs</li> <li>Develop/launch an assessment "showcase" for faculty to share innovative assessment practices: Funding for materials/supplies for assessment showcase</li> <li>Incentivize innovation in outcome assessment by providing faculty stipends for assessment improvement projects: Funding for faculty innovation and assessment stipends</li> <li>Develop/launch an assessment "showcase" for faculty to share innovative assessment practices: Funding for professional services to create graphics and visuals for resource materials related to assessment and other project deliverables</li> </ul>	\$115,000
B. Student Learning Outcomes Assessment cycle: Improving data collection for SLO's and PLO's	1. Identify and implement a system that meets college needs for integration of curriculum review, program review, and outcome assessment	<ul style="list-style-type: none"> <li>Select and implement a system for accountability/curriculum management: Funding for new accountability/curriculum management system initial implementation</li> </ul>	\$60,000
C. Student Learning Outcomes Assessment Cycle: Connection with Program Review, Guided Pathways, planning	3. Build foundation for Center for Teaching and Learning	<ul style="list-style-type: none"> <li>Facilitate vision-setting process for Center for Teaching and Learning: Funding for materials/supplies for Center for Teaching and Learning vision-setting meetings</li> <li>Develop model for Center for Teaching and Learning: Funding for professional development focused on assessment in the context of the guided pathways framework</li> </ul>	\$25,000
<b>Total IEPI Resource Request (not to exceed \$200,000 per college)</b>			\$200,000
