REPLENISH YOUR BASKET 3 WAYS:

- Learn at Lunch: The second Friday of each month Cuyamaca Cares will host a forum to replenish your basket, get updates on resources for students, and discuss best practices for students in need.
- Care Cart delivery: Contact Kaylin Rosal for delivery times and schedule your delivery.
- Pick it up yourself: Contact Kaylin Rosal and arrange a time to visit the Harvest Pantry in F-720 and replenish your own basket. This is a great way for you to see what kind of goodies we have for your students.
