

With nearly 100 majors and nationally ranked programs in business, engineering, biology, nursing, and more, Northern Arizona University combines exceptional academics, opportunities for research with renowned professors and a commitment to making education relevant and rewarding.

Whether you're transferring 12 or more credits from another institution, taking the next step after earning your associate's degree, or finishing any number of classes to complete your bachelor's degree, NAU wants to help you achieve your educational goals.

## Explore our Colleges and Majors

### Colleges

#### Arts and Letters

With majors that focus on the humanities, arts and modern languages, students can become part of an intellectually vibrant community of artists and scholars while developing professional skills.  
[nau.edu/cal](http://nau.edu/cal)

#### Education

Deeply grounded in its tradition of educational excellence, the College of Education prepares caring, committed teachers and encourages the development of innovative teaching methods.  
[nau.edu/coe](http://nau.edu/coe)

#### Engineering, Forestry and Natural Sciences

Through programs that emphasize innovation in science, technology and engineering, this college helps the next generation solve environmental, technological and scientific challenges.  
[nau.edu/cefns](http://nau.edu/cefns)

#### Health and Human Services

Students with a passion for health sciences will be prepared to provide health and wellness services for individuals, families and communities.  
[nau.edu/hhs](http://nau.edu/hhs)

#### Social and Behavioral Sciences

Whether interested in media, public service, government, world cultures, public policy, sustainability or communication, students have one-of-a-kind opportunities to work with faculty who help them think critically.  
[nau.edu/sbs](http://nau.edu/sbs)

#### The W. A. Franke College of Business

With degrees that focus on management, finance, operations and marketing, this college provides a rigorous professional environment where students receive the preparation they need for a successful future.

## University College

University College fosters student achievement and growth, providing a pathway for student success with resources, advising and coaching that will help students progress toward graduation. [nau.edu/uc](http://nau.edu/uc)

**Explore the unknown:** Many new students are unsure about what to study or how to select a major. University College can help students unlock their interests and talents and determine which major is right for them. One option may be a bachelor's in University Studies—a personalized plan consisting of two minors in lieu of a major and available to students with 60 or more completed units.

## Graduate College

Graduate students can choose from a broad range of advanced degrees, including several accelerated programs that allow outstanding undergraduate students to work simultaneously on a master's degree. [nau.edu/accelerated](http://nau.edu/accelerated)

### Accelerated master's degrees:

Applied Criminology	Engineering
Applied Geospatial Sciences	Forestry
Business Administration	Psychology
Career and Technical Education	Sustainable Communities

## Connect with Us!

We have an entire center devoted to helping students transferring to the Flagstaff campus get connected academically and socially. Transfer and Commuter Connections offers programs and resources to support your transition.

[nau.edu/transfer-commuter-connections](http://nau.edu/transfer-commuter-connections)

"I appreciate the academic and social education I received. Opportunities like meeting billionaire businessman Warren Buffett, a research trip to India, and participating in an executive job shadow program all honed my skills for the world after I graduate."

Kiara W., Transfer student, '15  
Business Management/Psychology  
Gold Axe Award Recipient

## Our PLEDGE to You:

**We guarantee the same tuition rate for four years—** helping you invest in your future and allowing you to predict your future financial needs today. California students automatically save 40 percent on NAU's out-of-state tuition rate through The Western Undergraduate Exchange. Learn more at [nau.edu/pledge](http://nau.edu/pledge).

## CALCULATE YOUR COST

[nau.edu/calculator](http://nau.edu/calculator)

Use our net price calculator to budget for your education and identify the financial aid you are eligible to receive.

## Tuition and Fees

for Western Undergraduate Exchange (WUE) students entering Fall 2015

	1st Year	2nd Year	3rd Year	4th Year
Tuition*	\$14,193	\$14,193	\$14,193	\$14,193
Fees	\$896			
Total	\$15,089			

\* Tuition rates are set each spring by the Arizona Board of Regents. Room, board, books, transportation, and personal expenses vary by student and are not included above.

## READY TO APPLY?

Include unofficial copies of transcripts from other institutions you've attended.

[nau.edu/apply](http://nau.edu/apply)

Use this code to waive the \$25 application fee: TRNCA

You will be **guaranteed admission** if you have earned a minimum of 35 credits and the California IGETC with a cumulative GPA of 2.5; or earned an associate's degree with a cumulative GPA of 2.0.

You will be **considered for admission** if you have a 2.0 or higher overall college GPA and at least 24 transferable academic college credits.

## Visit Us!

Join us every first Friday of the month, excluding January and holidays, for specialized campus visits geared toward transfer students. Register at [nau.edu/visit](http://nau.edu/visit).

We also offer two full-day **Transfer Visit Days**

Friday, October 16

Friday, March 4

## VIRTUAL TOUR

[nau.edu/virtualtour](http://nau.edu/virtualtour)

Our virtual tour is the next best thing to being here in person.

## TRANSFER COURSES

[nau.edu/jacktransfer](http://nau.edu/jacktransfer)

Use the Jack's Transfer Guide to see how your courses will transfer to NAU.
