ADDITIONAL GENERAL EDUCATION GUIDELINES AND COURSE ALTERNATIVES:

***Pathways for other degrees; i.e. Construction Management, Interior Design, Product Design, and Media Design, have similar GE requirements. However, please consult their Admissions Office for details. NewSchool understands that for some, the difference between transferring to a desired institution and waiting another quarter, semester, or even a year, may be pending GE courses. This may be the result of changing desires, goals or disciplines, and for others this shortfall may have come about unexpected. To ensure that all students who are otherwise academically and financially prepared to be successful at NewSchool may begin their studies on time; we reserve the right to allow transfer students to begin their studies with General Education courses pending. These courses may be completed at NewSchool. The Director of Integrative Studies and the academic advisors will work with each student individually to ensure that all pre-requisites are met and that each student is prepared for academic success.
