

CCA CALIFORNIA COLLEGE OF THE ARTS

April 12, 2006

Dear Colleague,

California College of the Arts is pleased to announce that it is now accepting the Inter-segmental General Education Transfer Curriculum (IGETC). Completion of the IGETC pattern in its entirety will enable students to complete 33 semester units of the 51 Humanities and Science coursework required at CCA. Incoming students for the fall 2006 term are eligible to take advantage of this new articulation agreement immediately.

CCA is aware of the often daunting process of advising students in the transfer process to four-year schools, and even more so, the complexities involved when a student is seeking to attend a school of art. It is our hope that in our acceptance of the IGETC, we will be able to provide you with the most effective guide for advising.

Attached you will find a useful chart which positions the IGETC requirements parallel to CCA requirements. Please feel free to duplicate this chart and make it available to your students and counseling colleagues. This chart and all CCA articulation agreements are available on our website at www.cca.edu/admissions/credit.

If you have any questions regarding transferring to CCA or the application process, please feel free to contact Thea Sizemore, Assistant Director of Admission, Coordinator of Transfer Recruitment, at 800.447.1278 or via email at enroll@cca.edu.

Sincerely,

Robynne C. Royster
Director of Undergraduate Admission
